

## Application for Membership with the School Association German School Seoul International

Dear Parents

All parents/guardians whose children attend the school or kindergarten of the German School Seoul International (DSSI) also become members of the DSSI school association. The non-profit school association is the school authority of the DSSI and regulates its affairs according to the Articles of Association (AoA). The school association members elect a Board of Directors (BoD), which represents the interests of the school association. The BoD also decides on the admission of association members to the school association. To do this, we would like to ask you to fill out this application form. Your details will be made available to the Board members and treated confidentially. All data provided here is subject to legal data protection regulations.

You will receive notification from us as soon as possible regarding your acceptance into the school association. Only after settling the admission fee and the kindergarten/school fees according to the [tuition & fee overview](#) the association membership will come into effect.

If you have any questions, please feel free to contact us to: [bdv@dsseoul.org](mailto:bdv@dsseoul.org).

Best regards

Board of Directors of DSSI
